The Central Business District Community Design Guidelines apply to this project.

The applicant has submitted design review and sign permit applications, sign details, and a colored drawing of the proposed sign. Also provided are photographs of the site showing the proposed location of the detached sign.

The proposed 6' x 4' sign at 8' height is Code compliant. Maximum allowed is 30 sq. ft. at 12' height.

Samples of the proposed colors will be provided at the meeting.

Mrs. Ellen Lewis, 40998 Pickets Lane, Leonardtown, MD owner of said shop was present for this meeting.

Mr. Turgeon has a problem with the posts for the sign being unfinished. Would prefer them being painted white.
