Present: Mayor Roy G. Hale, Councilman R. Wayne Winkler, Councilman Joseph W. Norris;
Daniel J. Mears, Town Manager; Danielle Mandley, Town Clerk; Michelle Miner, Assistant Town Manager; Robert F. Stahl, Director of Operations; William F. Eckman, Chairman, Water and Sewer Advisory Board

SHA Staff: Lee Starkloff, District Engineer, District 5; Debra Russell, P.E., Assistant District Engineer,
District 5; Greg Phillips, Transportation Manager, Southern Maryland

Minutes:

Mayor Hale called the meeting to order at 10:04 AM.

Matters of Council Discussion

Discussions regarding transportation projects in the La Plata area.

Mr. Starkloff, Ms. Russell and Mr. Phillips described paving projects in the La Plata area (see attached schedule). Ms. Russell spoke about the ADA sidewalk upgrades from Somerset Street to US 301, and recommended upgrading our Sidewalk Ordinance to include the ability for the Town to bill property owners for sidewalk maintenance and repairs.

Mr. Stahl thanked the State Highway Administration staff for the use of the Salt Dome on Washington Avenue, emphasizing how the ability to have salt readily available during inclement weather has helped both the Town of La Plata and Town of Indian Head.

Future Meeting Topics (none planned)

There being no other business, adjourned the meeting at 11:40AM.
