Comprehensive Plan Update

Following a brief overview of the background and purpose of the Comprehensive Plan update, the group discussed possible municipal growth area boundaries. It was agreed that staff would prepare and provide to each member copies of the tax map (with color-coded lines to indicate possible properties to consider for inclusion) and the Town zoning map. It was suggested that an aerial map would also be useful. The group also discussed conducting a tour of the areas under consideration for inclusion in the growth area. Staff will make arrangements to provide a vehicle large enough to accommodate the entire group.

It was agreed that the next joint work session of the Town Council and Planning Commission would be held on Thursday, March 27, 2008, at 7:00 PM.

There being no voiced objection, the meeting adjourned at 8:56 PM.
