Trick or Treat Evening

Trick or Treat evening in La Plata is **Wednesday, October 31**, from 6:00 p.m. until 8:00 p.m. As an alternative to door to door trick or treating, the Town continues to encourage community parties as a means of providing safe fun for our children. However, for those who allow their children to go door-to-door, we ask that you limit this to the 12 and under age group, and encourage you to accompany your children as chaperones and keep your children in their own immediate neighborhood. We encourage these safety precautions for all children who go out trick or treating:

- * Wear reflective tape or other reflective material on your costume so you are visible as you walk along the streets.
- * Use a flashlight to help light your way.
- * Don't wear a mask that would keep you from being able to easily see vehicles or other hazards as you walk from house to house.

All who are driving through Town during Trick or Treat Evening on October 31st are asked to be especially careful of the children walking through the neighborhoods.

Shop Small Saturday

American Express launched Small Business Saturday on November 27, 2010 as a way to encourage people across the country to support small, local businesses.

Fast forward to November 24, 2018 where you have the chance to shop your small, local businesses in La Plata the entire holiday season and beyond.

COUNCIL COLUMN

Councilman Paddy Mudd, Ward IV

On July 27 members of the Historic Preservation Commission, Town Manager, Brent Manual and 2 teen future members took a field trip to the Chesapeake Beach Railway Museum. We received a warm welcome from Chesapeake Beach Mayor Mahoney, Museum Curator Crane, Friends of the CBRM President Mike Sweeney and other knowledgeable and gracious museum staff members. We have a long

way to go and a lot to be done here in La Plata but feel we received lots of inspiration and information as we begin the task of reopening the La Plata train station museum.

I hope you plan to come out to enjoy all of our fall activities beginning with Rocktoberfest, La Plata Fall festival featuring the Chamber's scarecrows, and the Veteran's Parade.

MAYOR'S CORNER (CONTINUED FROM PAGE 1)

SHOP SMALL SATURDAY: The 5th Annual "Shop La Plata" celebration on Small Business Saturday® will be held on November 24, from 10 a.m. to 5 p.m. in our downtown business district. Small Business Saturday® is a national event held the first Saturday after Thanksgiving and was originally created to help small businesses kick off the busy holiday shopping season. By supporting independently owned shops and restaurants on this special shopping day and throughout the holiday season, you are helping to grow the local economy and build a better neighborhood. SHOP, DINE, LIVE LA PLATA.

LA PLATA BUSINESS ANNIVERSARIES:

The following businesses are celebrating milestone anniversaries in La Plata:

ISLAND MUSIC – Founded by Keith and Nicki Grasso in October 2008, Island Music had very humble beginnings. They started in a 12'x12' room with 12 guitars on Charles Street. As their business grew, they moved to bigger shops but always staying on Charles Street. Through hard work, dedication and the desire to serve their community, today, Island Music occupies over 3,800 square feet with 6 lesson rooms, a full repair shop, thousands of guitars, school instrument rentals, 15 employees and 20 teachers and techs. If you haven't visited them yet, please stop by 403 Charles Street and check them out. CONGRATULATIONS AND HAPPY 10 YEAR ANNIVERSARY ISLAND MUSIC!

UNITED WAY OF CHARLES COUNTY:

On June 3, 1983, the United Way of Charles County was officially incorporated in the State of Maryland as a non-profit corporation. Located at 10250 La Plata Road, United Way operates an organization that is involved in many facets of health and human service to the people of Charles County. For the past 35 years, their mission has been to provide all citizens of Charles County the means to invest in

their community in order to bring about positive changes in peoples' lives. We wish them continued opportunities, growth and success in building and fostering community relationships within the Town of La Plata. KEEP UP THE GREAT WORK UNITED WAY AND HAPPY 35TH ANNIVERSARY!!

If you would like us to share a special business anniversary with our residents, please send me an email at jjames@townofaplata.org.

MAIN STREET MARYLAND: We are very excited to have been accepted into the Main Street Maryland Affiliate program. The purpose of this program is to strengthen the economic potential of Maryland's traditional main streets and neighborhoods. It is a collaborative effort within the community and to succeed it must have the support of the residents and businesses. We feel this initiative is vital for La Plata. We are committed to fostering economic revitalization and sustainability in our downtown district. We are in the infancy stages of planning right now but will be looking for those interested in serving on this committee in the near future.

FAREWELL CASEY JONES; WELCOME

"THE CHARLES": On August 4th, sadly, our Town said goodbye to our beloved Casey Jones. A staple for 38 years, many of us have very fond memories of that establishment. I would personally like to thank Casey's for putting La Plata on the map and for decades of great community service. While they will be missed, we are so pleased to welcome The Charles – Farm Table & Public House. Not only will they serve unique twists on American favorites, they will also highlight the culinary traditions of Southern Maryland to include local oysters, Rockfish and soft-shell crabs. This new neighborhood gathering place will be open 7 days a week. Please make sure you stop by and welcome David Winer and his staff.

CALEA: Congratulations to Chief Schinner and our Police Department for becoming one of only 26 police departments their size in the entire US to earn accreditation from the Commission on Accreditation for Law Enforcement Agencies (CALEA). Our PD also holds the distinction of being the smallest agency in Maryland to be accredited.

How hard is it to get accredited? The LPPD began the process of getting the CALEA accreditation nearly four years ago. The process included developing a comprehensive and uniform set of written directives that also requires an emergency preparedness plan be put in place to address natural disasters and other crisis situations. The department has been in self-assessment the past four years and recently held its on-site assessment by a CALEA assessment team.

What does being nationally accredited mean for our community?

The accreditation emphasizes the importance of accountability, transparency, and professionalism in policing. CALEA ensures that all accredited agencies are setting and maintaining the highest standards. New standard operating procedures will result in reducing the agency's insurance liability premium and make it easier to secure grants for training, equipment and community initiatives.

They were awarded this prestigious recognition and certification at the CALEA conference in Grand Rapids, MI in July. This is a huge achievement for the LPPD and we couldn't be prouder! Way to go, LPPD!

NEW TOWN TREASURER: In early November, Kevin Greenville will join us as our new Town Treasurer. Mr. Greenville comes to us from Mount Rainier, Maryland where he served as their Director of Finance/Treasurer. We are excited to have him join our Team!

NEW RESIDENTS: Don't forget to stop by Town Hall during normal business hours to pick up your free Informational Welcome Packet. It contains helpful information about the Town, businesses and local services.

We continue to work hard to make La Plata the premiere place to dine, shop and live! We would love for you to become part of this journey. If you are interested, please let me know. Alone we can do so little, together we can do so much. Please feel free to call my office at (301) 934- 8421 or send me an e-mail at jjames@townofaplata.org with any questions, suggestions or concerns. Your opinion matters!

LA PLATA POLICE DEPARTMENT

From the Desk of the Chief

The La Plata Police Department (LPPD) is excited to announce

it has earned national accreditation from the Commission on Accreditation of Law Enforcement Agencies (CALEA), which is considered the gold standard in public safety. The department was awarded accreditation after a formal hearing on July 29, 2018 in Grand Rapids, Michigan. The award came after a three-year period of self-assessment.

In April, an assessment team from CALEA spent multiple days at LPPD and in the La Plata community conducting interviews with elected officials, Town executives, department staff, and community members. They also spent time reviewing written materials and examining policies, procedures, and operations protocols across the full spectrum of department activities, including riding along with officers in the field to verify that policies and procedures were being practiced.

The CALEA assessors' official report identified zero standards issues, meaning the agency was in compliance with all applicable standards. The assessment also highlights some of the agency's key community policing initiatives. "Crime prevention and community involvement is clearly a strength for the La Plata Police Department. The agency is visible, proactive, and community oriented and has successfully engaged its community in a partnership to maintain a safe community."

CALEA accreditation represents a significant professional achievement and helps confirm that the La Plata Police Department practices are consistent with progressive professional policing. Accreditation helps validate the high standards we hold our personnel to and is aligned with nationally accepted best practices.

The CALEA accreditation process is a proven modern management model; once implemented, it presents the chief of police, on a continuing basis, with a blueprint that promotes the efficient use of resources and improves service delivery—regardless of the size, geographic location, or functional responsibilities of the agency.

This accreditation program provides public safety agencies an opportunity to voluntarily demonstrate that they meet an established set of professional standards which:

- Require an agency to develop a comprehensive, well thought out, uniform set of written directives. This is one of the most successful methods for reaching administrative and operational goals, while also providing direction to personnel.
- Provide the necessary reports and analyses a chief of police needs to make fact-based, informed management decisions.
- Require a preparedness program be put in place—so an agency is ready to address natural or man-made critical incidents.
- Are a means for developing or improving upon an agency's relationship with the community.

- Strengthen an agency's accountability, both within the agency and the community, through a continuum of standards that clearly define authority, performance, and responsibilities.

As chief, ensuring that LPPD operates in a professional, efficient, and effect manner is a top priority. As the town's mantra, has been for many years, "Service is Our Business."

See you on the road!

Chief Carl Schinner

Prevent Porch Piracy

Community Policing Initiative Offered by the La Plata Police Department: Operation Prevent Porch Piracy. Did you know there were 11 million parcel packages stolen from porches in 2016? Did you know 41% of consumers avoid some online purchases because they fear package theft? Did you know the average value of a package stolen is between \$50-\$100?

Holiday shopping time will soon be upon us. To interrupt package delivery thefts, which hits La Plata residents every holiday season, LPPD is encouraging citizens to have on-line purchases delivered to the La Plata Police Department, 101 La Grange Avenue, La Plata, MD 20646. LPPD will accept packages from November 19, 2018 through December 21, 2018. LPPD will not accept delivery of any oversized, flammable, explosives, fireworks, or firearms. If you have any questions, please call 301-934-1500.
