The "Objective Review" Map Activity was beneficial and designed well	1	6	3	1	
The Introductions/Overview presentation was informative and presented well	5	5	2		

What Topics would you like to discuss for future meetings?

- Municipal Growth
- Growing Downtown area that is inviting to residents and visitors
- Growth area plans
- Transportation plans
- History of Demographic changes
- How the Town and County interact in regards to planning
- Historic Preservation
- Overview of current plan, and what the town is thinking about changing sections 2.2, 2.4, 2.6 of the 2009 plan sensitive areas
- how will the new 301 bridge increase traffic
- Commuter - how many use commuter parking, where do they go?
- Integration to county
- Bridge replacement
- metro plan
- Community building activities

What did you like best about the Meeting?

- Open discussion
- good information
- Open discussion
- Table conversation + report out
- Open summary
- report out
- Timeline
- variety of breakout groups
- Interactive component/ table exercise
- Understanding that the Town has a plan
- sincerity, resident loyalty

What did you like least about the meeting?

- Table exercise- Table was full of type-A personalities, Facilitator should have been more hands on with leading the session
- Tablemates had not read the full plan. More overview from staff of development of plan since 2009 would have been helpful
- Table sessions - needed more time, atrium became to noisy
- Need more time for table exercise
- a lot of info to read & comprehend at the table discussion
- nothing
- Some of the table exercise participants did not review the old plan or know what a plan was
- Acoustics for working groups

What would you recommend to staff for future meetings?

- Have older plans easily accessible during meeting
- Update on progress since last plan
- Good, productive meeting
- better overview of current plan
- Ensure that everyone knows what this will be discussing by have background information
- start on time
- More facilitator guidance

Did the meeting day/time work for you?

Time:	Yes	No	Day:	Yes	No
