Application Information Cover Sheet

Name: _____

Address: _____ La Plata, MD 20646

Subdivision (if any): _____

Phone Number: _____ Email: _____ @ _____

Purpose: The La Plata Police Department's Home Video System Mini-Grant is designed to provide an opportunity for Town of La Plata residents to increase security in and around their home. The Department invites local residents to submit this application for review by the La Plata Police Department's Crime Watch Council. There will be 20 grants awarded for \$250. Deadline to submit an application is May 31, 2019.

Applications will be evaluated on the following information:

1. Describe your reason for installing a home video-system.
2. Describe the proposed retention of images captured.
3. Provide a proposed timeline for when the system will be operational.
4. Provide a diagram of the system's coverage of the residence's yard, parking area(s) and perimeter lighting.
5. Agree to share images captured with the La Plata Police Department should a crime or other event of interest occur within the system's viewing range.

Applications will also be reviewed and approved upon geographical location of the residence and the needs of the Town/Police Department.

Please submit this information in a narrative format that does not exceed three pages in length along with the grant application. The narrative format must include the five evaluation criteria detailed above.
